Directors Corner

Dear Families,

Spring is just around the corner! Kindergarten registration will open this week, and screening appointments will be scheduled soon. We understand you may have questions about your child's readiness skills.

Throughout the month, our teachers will be assessing students for the second progress reports. During your conference later this month, teachers will provide insights into your child's readiness skills and share fun, engaging activities to help support their development in preparation for the next school year.

We look forward to working together to support your child's growth!

Warmly,

Katrina
