

April 2025

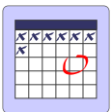

## **Directors Corner**

Dear Families,

Spring has sprung! Before you know it, we will be able to spend more time on our playground with hula hoops, scooters, bubbles and more!

As we approach the end of the school year, we have a lot of fun activities planned that your family won't want to miss! Important information about graduation and year-end events will also be shared, so be sure to read all emails from me and the teachers and check your family mailboxes regularly for updates. We can't wait to celebrate with you!

Warmly,  
Katrina

## **Opportunity Calendar**

We're excited for this month and the daily winner draws for the Opportunity Calendars! A huge thank you to everyone who supported

this fundraiser. Thanks to your generosity, we'll be able to purchase new materials over the summer, just in time for the new school year. We truly appreciate your ongoing support of Jack and Jill!

## **Picture Day**

Lifetouch will be here on Wednesday, April 2<sup>nd</sup> and Thursday, April 3<sup>rd</sup>. Please be sure to send back your child's picture form on or before picture day. If you need another form, please reach out

The best part of Lifetouch is that no money exchanges hands until you see the finished product. You will receive a printout with your child's proofs and choose what you like and want to order! You only pay for what you want! There is lots of flexibility, because as you know, kids don't always cooperate when we want them to. All orders and payments are completed through the Lifetouch website.

Please note there is no make-up picture day or picture retakes.

## **Registration Update**

Classes for the upcoming school year and our summer program are filling up fast! Thank you to everyone who has already completed their registration.

Please be aware that the older preschool class only has 3 spots remaining. If you're considering this class for next year, we encourage you to complete your registration as soon as possible.

## **Warm Weather Reminders**

As spring temperatures can be unpredictable, please continue to dress your child in layers. We've had some chilly mornings, so hats and mittens should still be sent to school each day. It's always better to have them and not need them.

Please remember that it is your responsibility to apply sunscreen to your child before school, as we do not apply or reapply sunscreen. Kindly avoid sending sunscreen in your child's backpack.

With all the growth happening, please take a moment to check your child's extra clothes bag

April 2025

and make any necessary updates.

As the weather warms up, kids tend to have more energy to run, jump, and skip! Please pay attention to your child's footwear in the coming weeks. Proper shoes like sneakers or closed-toe sandals will help keep them safe and reduce the risk of trips and falls.

We kindly ask that you avoid sending your child to school in flip-flops, open-toed shoes, or shoes with heels.

Thank you for your attention to this! We're all excited to get outside and have lots of fun!

### **Family Fun Fair**

On Saturday, April 5<sup>th</sup>  
9:30-11:30 AM Project  
Connect and Early  
Childhood Community of  
Attleboro will host a  
Family Fun Fair in the  
Attleboro High School  
Cafeteria. This is a free  
event with lots of fun  
activities. Jack and Jill  
will be there, stop by and  
say hi to Mrs. Lay.

### **Family Art Show and Open House**

The classes are busy preparing for our Family Art Show and Open House on May 15<sup>th</sup> in the evening. Please stay tuned for more information.
